This new collaboration is sure to bring your station to the #1 spot in your market!

## Let's Meet The Team:

The "smooth like butta" voiced PJ lucked into his first radio gig at KKBT The Beat by "talking" his way into an on air position becoming the first Filipino-American on the radio in LA! PJ helped launch the careers of artists like Jay-Z, Alicia Keys, and The Fugees with his Butta Bootleg new music releases. You can catch PJ Butta on 93.5 KDAY in Los Angeles from 3pm - 7pm Monday through Friday and worldwide on the internationally syndicated World Chart Show.

Julieta Ramirez fell in love with radio and voice-over while a student at the University of La Verne, California. She started her professional radio career as a junior writer of the World Chart Show with Ace and Joe back in 1999. For the past 16 years, Julieta has specialized in developing branded radio entertainment, and has written a variety of programs including La Hora Coca-Cola, Coke Studio Radio Hour, and Vans Warped Tour Radio. She is now back on writer duty with her beloved World Chart Show, in its new incarnation featuring the talented PJ Butta.
